Supplementary Product Disclosure Statement

CFMG Equity and Income Funds Limited ACN 112 753 876, the holder of Australian Financial Services Licence (**AFSL**) no. 291390, is the responsible entity of CFMG Land and Opportunity Fund ARSN 602 610 006 (Trust).

This Supplementary Product Disclosure Statement ('**SPDS**') is dated 4 October 2022. This SPDS supplements the Product Disclosure Statement ('**PDS**') dated 15 October 2021 for the Trust issued by the Responsible Entity. Together, the PDS and this SPDS contain all of the information about the Offer of Class X Units ('**Arbourwood III Units**') in the Trust and individual subclasses of those Class X Units (eg. X1, X2, etc, etc).

Capitalised terms used in this SPDS have the meaning given to those terms as set out in the Glossary of the PDS.

Overview

The information presented below in this SPDS outlines an offer to acquire Arbourwood III Units in the Trust to facilitate the Trust loaning up to \$1,500,000 to Arbourwood Projects No. 2 Pty Ltd A.C.N 661 375 113 ('**Arbourwood III SPV**') to carry out the Property Development ('**Loan**'). The loan agreement between the Trust (as lender) and Arbourwood III SPV (as borrower) ('**Loan Agreement**') will require interest at the fixed rate of 13.13% per annum payable on the loan amounts advanced ('**Principal**'). The Principal advanced to Arbourwood III SPV will be used to fund the Property Development.

The Property Development relates to the purchase of real property, comprising approximately 2.015 hectares (0.962 useable), situated in Morayfield approximately 39 kilometres north of the Brisbane CBD ('**Property**').

The Arbourwood III SPV has contracted with the registered owners of the Property to pay \$2,240,000 (inclusive of any GST) with settlement due to be completed on 31 October 2022 (in relation to 23 Anderson Road) and 14 November 2022 (in relation to 27 Anderson Road).

Arbourwood III SPV intends to develop the Property into 17 residential allotments, supporting roads and other services generally in accordance with the Concept Plan in the SPDS. An application for a development approval to reconfigure the Property into 17 residential allotments is intended to be lodged shortly with the local authority.

The Loan of up to \$1.5m to be advanced by the Trust to Arbourwood III SPV is to be applied to the costs associated with payment of stamp duty on the purchase contracts, towards payment of the purchase price to the registered owners of the Property under the purchase contracts, towards the development costs associated with the Property Development and to funding associated working capital.

A fixed interest rate of 13.13% per annum on the Principal is contractually required to be paid to the Trust by Arbourwood III SPV under the Loan Agreement.

The repayment of the Principal by Arbourwood III SPV is to be paid on completion of the Property Development and sale of the Property. Please note that whilst Arbourwood III SPV, upon repayment of the Loan, is required to make an interest payment to the Trust calculated at 13.13% per annum on the Principal over the term of the Loan Agreement, the return is not guaranteed by the Responsible Entity, and Arbourwood III SPV's ability to make these payments is totally dependent on successful completion of the Property Development and sale of the Property.

The Arbourwood III Units have a targeted rate of return of 9.20% per annum, which is based on the fixed interest rate payable under the Loan Agreement by the Arbourwood III SPV less the Asset Identification and Negotiation Fee, Management Fee and administrative fees and costs the Responsible Entity is entitled to be reimbursed for in operating the Trust.

The payment of any returns to Unit Holders are totally dependent on Arbourwood III SPV meeting its interest and Principal repayment obligations. An interim distribution by the Trust is expected to be paid in June 2023. This interim repayment is intended to be funded by a component of the advanced Principal being retained by the Trust and not provided to Arbourwood III SPV.

The Responsible Entity will waive payment of any fees and costs it is entitled to be reimbursed in the event the incurring of those fees and costs result in the Arbourwood III Units not achieving the targeted return of 9.20% per annum.

The specific risks associated with this investment are disclosed in this SPDS. These risks should be read in conjunction with the risks disclosed in the PDS.

DETAILS OF ARBOURWOOD III PROPERTY DEVELOPMENT

Overview

Arbourwood III SPV has contracted to purchase 2.015 hectares (0.962 useable) of land, situated in Morayfield approximately 39 kilometres north of the Brisbane CBD ('Property').

Subject to a development permit being granted the Arbourwood III SPV intends to develop the Property into 17 residential allotments, road ways and other services generally in accordance with the Concept Plan in this SPDS.

The Locality

Located within the established suburb of Morayfield approximately 39 kilometres north of the Brisbane CBD.

Immediately surrounding the Property is predominantly existing residential consisting large residential allotments, traditional lot subdivisions and several large mobile home park style projects.

The Property is located in proximity to a range of retail services. Morayfield shopping centre situated one kilometre to the north east is a recognised bulky goods retail precinct which includes major occupants including Amart Furniture, Officeworks, The Good Guys, Autobarn and BCF.

Morayfield East State School and Morayfield State High School are situated three kilometres north-east of the Property.

The Property

The Property comprises two separate parcels and is situated at 23 Anderson Road and 27 Anderson Road, Morayfield in the State of Queensland and is more particularly described as lot 2 on RP190285 and having certificate of title reference number 16470101 and lot 1 on RP190285 and having certificate of title reference number 16470100.

Market Demographics

Market conditions are buoyant across a variety of property segments with price growth for completed product evident in the subject catchment.

Several macro level drivers are underpinning the current market conditions including higher levels of household savings and demographic shift to lifestyle locations resulting in unprecedented

inter-state migration from New South Wales and Victoria into Queensland and historically low vacancy rates of 0.7% to August 2022 across Brisbane City and 0.4% for Morayfield.

Demand for development sites is improving commensurate with the overall improvement of residential market conditions. Greater demand for residential stock in Queensland and strong price growth observed throughout 2021 and into the first half of 2022 has allowed for improvement in site values, albeit tempered by escalating construction costs.

Due to the current strong market conditions, englobo land remains tightly held, resulting in a lack of recent englobo land transactions in the surrounding locality and broader South-East Queensland market.

Purchase of the Property

The Property comprises two separate parcels and has been purchased by the Arbourwood III SPV pursuant to two separate contracts as follows.

23 Anderson Road Contract

The contract to purchase 23 Anderson Road, Morayfield between the Arbourwood III SPV and the registered owner was entered into on 1 August 2022.

The registered owner of 23 Anderson Road, Morayfield is unrelated to the Arbourwood III SPV, to CFMG Land Limited, to CFMG Capital Limited, to CFMG Equity and Income Funds Limited as Responsible Entity or any of their directors or shareholders.

The key commercial terms of the contract to purchase 23 Anderson Road, Morayfield are as follows:

- a. Settlement is due to be completed on 31 October 2022;
- b. the purchase price payable by Arbourwood III SPV is \$1,400,000 (inclusive of GST);
- c. a deposit of \$70,000 has been paid by CFMG Land on behalf of Arbourwood III SPV to the registered owner of the Property.

27 Anderson Road Contract

The contract to purchase 27 Anderson Road, Morayfield between the Arbourwood III SPV and the registered owners was entered into on 15 August 2022.

The registered owners of 27 Anderson Road, Morayfield are unrelated to the Arbourwood III SPV, to CFMG Land Limited, to CFMG Capital Limited, to CFMG Equity and Income Funds Limited as Responsible Entity or any of their directors or shareholders.

The key commercial terms of the contract to purchase 27 Anderson Road, Morayfield are as follows:

- a. Settlement is due to be completed on 14 November 2022;
- b. the purchase price payable by Arbourwood III SPV is \$840,000 (inclusive of GST);
- c. a deposit of \$42,000 has been paid by CFMG Land on behalf of Arbourwood III SPV to the registered owner of the Property.

The Development Concept

The Concept Plan set out on page 15 of this SPDS illustrates the proposed development concept.

The proposed development is intended to comprise a total of 17 residential allotments supporting roads and other services.

The allotments proposed to be developed range from 250m² to 527m² with an overall average land area of approximately 370m².

The Property Development involves the development of the Property as residential allotments for on-sale as sites for residential housing.

Marketing and Distribution

The marketing strategy for the residential allotments is intended to include a mix of direct selling to individual buyers and also selling to the local home builders, who on sell the allotments to their clients.

It is proposed that the Arbourwood III SPV will be direct marketing allotments through a project web site, real estate marketing sites and other media campaigns.

It is anticipated that marketing of the allotments will commence prior to commencement of the development works and will continue during construction with allotments to be pre-sold subject to titles being created.

While the Arbourwood III SPV anticipates that the above marketing and distribution strategy is appropriate the directors of the Responsible Entity or the Arbourwood III SPV are not able to forecast land sales prices or rates.

Sales rates and selling prices can be influenced by a number of factors which are outside the control of either the Responsible Entity or the Arbourwood III SPV including property market conditions, supply and demand, interest rates and buyer sentiment.

Indicative Property Development Timing

Based on the likely time frames for development approval of the Concept Plan and then engineering plan approvals, it is currently anticipated that the construction works for the Property Development could commence in or about July 2023 and the development could be completed by June 2024.

Marketing is anticipated to commence prior to the construction of the development works, with allotments to be pre-sold subject to titles being created and then continue following completion of the development works and titling process.

Provided that the key assumptions anticipated by the Arbourwood III SPV hold true then the anticipated timing for the carrying out of the Property Development is expected to be as follows:

Settlement of Property	October to November 2022
Subdivision Works	July 2023 to December 2023
Registration of Allotments	February 2024
Settlement of Allotments	March 2024 to May 2024

* Dates indicative only and subject to change.

Whilst the above timing is how the Arbourwood III SPV anticipates the Property Development could progress, there is no guarantee that the assumptions above will be met. The director of the Arbourwood III SPV is not able to forecast land sales rates or other delays which may be experienced with the timing of the Property Development.

Accordingly, the financial performance or returns which may be generated by the Arbourwood III SPV is not guaranteed and an investment in the Loan is considered a speculative investment.

Property Development Finance

The Trust will contribute the capital raised by the issue of Arbourwood III Units (less the amounts retained from the Principal to pay management fees to the Responsible Entity and to be applied to make the interim distribution in June 2023) to the Property Development by advancing the Principal under the Loan Agreement to Arbourwood III SPV.

The Arbourwood III SPV will apply the funds received from the Trust towards costs associated with payment of transfer duty on the purchase contract, towards payment of the purchase price to the registered owners of the Property under the purchase contracts, towards the development costs associated with the Property Development, to repayment to CFMG Land Limited of the deposits of \$112,000 paid to the registered owners of the Property under the purchase contracts and to funding associated working capital.

In addition to the amount raised through the Trust, it is anticipated that approximately a total of \$3.2m of debt finance is required in order to complete the Property Development.

Based on the experience of CFMG Land Limited as manager of the Arbourwood III SPV in sourcing debt finance from major lending institutions on other similar projects Arbourwood III SPV considers that debt finance can be secured and may be applied towards the development costs and other working capital for the Property Development. Based on that expectation the Arbourwood III SPV considers that debt finance can be obtained to fund the development costs and other working capital to an amount up to 60% of the total assessed gross realizations from the Property Development.

It is anticipated the funding from a major lending institution will be subject to a number of terms and conditions. Whilst the Arbourwood III SPV expects to satisfy the terms and conditions applying to the expression of interest, there is no guarantee that such conditions will be met.

LOAN AGREEMENT

The Trust's investment in Arbourwood III SPV is by way of the Loan Agreement.

The Loan Agreement sets out the terms on which the Trust loans the Principal to the Arbourwood III SPV and the rights and obligations of the parties to that agreement.

The Loan Agreement also includes key matters such as the conditions precedent (and subsequent) to the Trust drawing down the advanced Principal to the Arbourwood III SPV, undertakings by the Arbourwood III SPV to the Trust, representations and warranties by the Arbourwood III SPV and the terms of the operation of the Arbourwood III SPV (including the interest entitlements under the Loan Agreement, the waterfall of payments relating to distribution of Property Development proceeds and other matters relating to the payment of funds by the Arbourwood III SPV).

Key conditions precedent required before the Trust will draw down any Principal to the Arbourwood III SPV under the Loan Agreement, include:

- approval by the board of the Responsible Entity to entry into and completion of the Loan Agreement;
- the grant of and entry into a general security over the Arbourwood III SPV in favour of the Trust which ranks behind other lenders to Arbourwood III SPV;
- receipt of an expression of interest from a secured funder to provide property finance and a construction debt facility to Arbourwood III SPV outlining the terms and basis on which development finance may be provided to the Property Development on terms satisfactory to the Arbourwood III SPV and the Responsible Entity;
- confirmation as to the status of the development approvals required to be able to carry out the Property Development to the satisfaction of the Responsible Entity; and
- receipt of an independent valuation confirming the value of the Property.

The Arbourwood III SPV must not, without the Responsible Entity's prior written consent:

- create any liability by way of further financial indebtedness in relation to the Property Development (except in relation to the secured senior debt and the third party equity that may rank equally or take priority to the Loan Agreement with the Trust);
- create any mortgage, charge or other security interest affecting or relating to the Property Development (other than in relation to the construction debt facility for the Property Development);
- issue or redeem new shares or other securities in the Arbourwood III SPV (other than in relation to raising the third party equity that ranks equally or take priority to repayment of the Loan)
- amend the management agreement with CFMG Land in a manner which materially impacts the Trust.

Under the Loan Agreement, the application by the Arbourwood III SPV of surplus cashflow of the Arbourwood III SPV is to be made in the following order:

firstly, to repay the secured funder and interest; then

secondly, to pay all taxes and other statutory imposts; then

thirdly, to pay all other outstanding costs, expenses and liabilities incurred in the operations of the Arbourwood III SPV; then

fourthly, to pay any fees to CFMG Land for services provided to the Arbourwood III SPV in accordance with the terms of the management agreement; then

fifthly, to repay the Principal to the Trust under the Loan Agreement; then

sixthly, to pay the interest to the Trust under the Loan Agreement; then

finally, balance of Property Development profits to the Arbourwood III SPV

(the "Property Development Cashflow Waterfall")

RISK FACTORS

All investments involve some risk, as investments can decline as well as increase in value.

Details of the risks relating to an investment in the Trust are set out in the PDS dated 15 October 2021.

Below are specific risks associated with an investment in Arbourwood III Units.

SPECIFIC RISKS

An investment in the offer of Arbourwood III Units also involves specific risks relating to the Property Development to be carried out by the Arbourwood III SPV which is the development of the Property. These risks are common when undertaking property development. By undertaking a process of due diligence, key Property Development risks are where possible identified and management strategies put in place. This reduces the risk that the Property Development will not perform as anticipated but does not eliminate all risk. Some of the key risks (and potential mitigating factors) are summarised below.

Before deciding whether to subscribe for Units, you should carefully consider the principal risks to which you are exposed and whether the purchase of Units is a suitable investment for you.

If you are in doubt as to whether you should apply for Units, you should first seek advice on the matters contained in this SPDS from a professional adviser.

RISK	RISK MANAGEMENT
Planning Risks There are risks associated with planning for the Property Development, particularly in relation to obtaining and satisfying conditions relating to a development approval.	<ul style="list-style-type: none"> Professional town planning consultants have been engaged by the Arbourwood III SPV to advise in relation to the planning for the Property Development. An application for a development approval to reconfigure the Property into 17 residential allotments is anticipated to be lodged with the local authority for approval.
Development Approval Risk There are risks associated with property development projects including in relation to obtaining a development approval and any resulting conditions.	<ul style="list-style-type: none"> Professional town planning consultants have been engaged by the Arbourwood III SPV to advise in relation to the planning for the Property Development. An application for a development approval to reconfigure the Property into 17 residential allotments is anticipated to be lodged with the local authority for approval.
Market Risk The Property Development is exposed to changes in the supply and demand for residential dwellings and the values of residential dwellings.	<ul style="list-style-type: none"> A marketing strategy has been developed for the marketing and sale of the allotments intended to be developed in the Property Development. Marketing is anticipated to commence prior to the construction of the development works, with allotments to be pre-sold subject to titles being created and then continue following completion of the development works and titling process.
Market and Site Sentiment The residential market throughout the growth corridors in South East Queensland is in part driven by interstate and foreign investment as opposed to purely local market fundamentals.	<ul style="list-style-type: none"> A marketing strategy has been developed for the marketing and sale of the allotments intended to be developed in the Property Development. The marketing strategy for the residential allotments is intended to include a mix of direct selling to individual buyers and also selling to the local home builders, who on sell the allotments to their clients. It is proposed that the Arbourwood III SPV will direct market allotments through a project web site, real estate marketing sites and other media campaigns.
Sales Risk The price achieved for the sale of the residential allotments intended to be developed from the Property may be insufficient to deliver the interest payable and the repayment of the Principal under the Loan Agreement.	<ul style="list-style-type: none"> A sales and marketing strategy has been developed by the Arbourwood III SPV which includes a mix of direct selling to individual buyers and also selling to the local home builders, who on sell the allotments to their clients. <p>Settlement Risk</p> <p>Once allotments are sold there is a risk that buyers do not settle on their purchase. There are risks associated with the validity and enforceability of the sales contracts and satisfying foreign investment laws and regulations. RELATED PARTY ARRANGEMENTS

CFMG Land and the Arbourwood III SPV are each related parties of the Responsible Entity as they share common directors with the Responsible Entity.

A common risk of related party transactions is that in the event of default, the Responsible Entity (or the Arbourwood III SPV) may not enforce its rights against a related party. See sections 3, 9.17 and 9.18 of the PDS for information about our Conflicts Policy that governs the related party transactions we may enter.

Should an event of default arise under the Loan Agreement and the Arbourwood III SPV does not remedy that default the Responsible Entity will take action to recover the money owed. Both the Responsible Entity and its directors have a statutory duty to place the interests of Unitholders above their own interests where there is a conflict. The Responsible Entity will keep the Unitholders informed of the actions being taken.

The Responsible Entity has not sought member approval to transact with the Arbourwood III SPV. The intended terms of the Loan Agreement has been benchmarked to market and are in line with industry practice. On this basis, the directors of the Responsible Entity are satisfied the terms of the Loan Agreement are on terms no less favourable than they would have been had the terms been negotiated between non-related entities dealing at arms length.

CONSENTS

The following parties have given and not withdrawn their consent to be named in this SPDS in the form and context in which they are named:

- Arbourwood Projects No. 2 Pty Ltd ACN 661 375 113; and
- CFMG Land Limited ACN 127 663 414.

Taxation

The following is a general summary of the expected taxation consequences for Unitholders, in holding Units in the Trust. The Responsible Entity is not licensed to provide taxation advice and cannot provide advice to specific Unitholders, Unitholder should seek advice on the taxation consequence of their investment which takes into account their personal circumstances, from a suitably qualified adviser.

On the basis that the sole activity and income of the Trust will be the granting of debt funding via Loan to the Arbourwood III SPV, the Trust should qualify as a 'flow through' trust for taxation purposes.

Under the terms of the Constitution of the Trust, the Responsible Entity must distribute the 'distributable income' of the Trust to Unitholders each year. Accordingly, where the Trust has recognised income in excess of expenses for a year Unitholders should have an entitlement to their respective share of the net (taxable) income of the Trust at year end.

In such cases taxation will not be payable at the Trust level but rather each Australian Resident Unitholder will be subject to tax on their share of the net (taxable) income of the Trust, and will be required to include this in their own returns.

The Loan Agreement between the Arbourwood III SPV and the Trust will be classified as debt for taxation purposes and any interest payable on the Loan will retain that character for Australian income tax purposes.

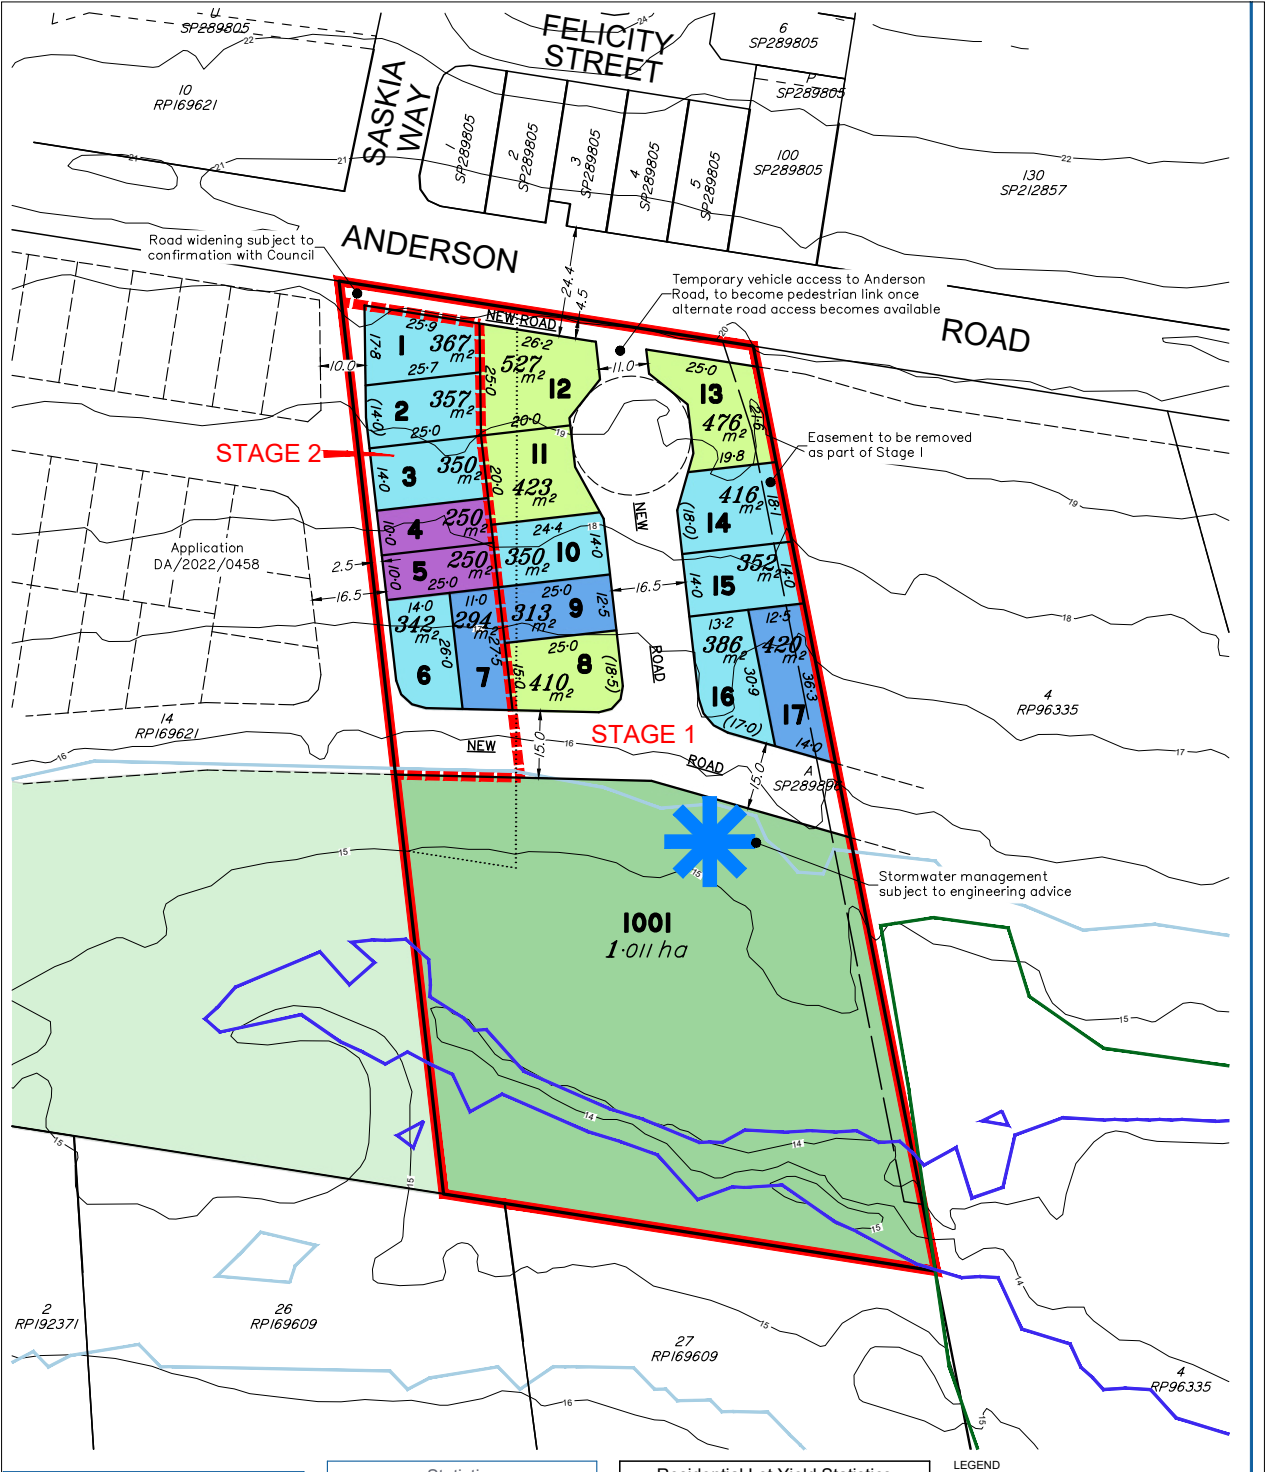

The Trustee would normally be assessed and pay tax on behalf of unitholders of the Trust who are not resident in Australia for tax purposes in respect of each non-resident unitholder's share of the net (taxable) income. However, where the sole income derived by the Trust is interest, the Trustee will instead deduct interest withholding tax (generally, at a rate of 10%) from interest paid to non-resident unitholders as a final tax.

Unitholders that are tax residents, or are otherwise subject to taxation in other countries, should seek specific advice from a qualified advisor on foreign taxation implications.

The Responsible Entity will provide Unitholders with a tax statement after the end of each financial year.
